

# ER SERIES

## Price Computing Scale

With elegant design, Various functions and  
Dual choices for display (LCD, VFD)  
ER is the most universal scale for price computings

**CAS**  
S · C · A · L · E

# ER SERIES

## Price Computing Scale

### FEATURES

- ⑤ 5 Direct PLU & 199 indirect PLU
- ⑤ Soft touch tack switch with silicon rubber key pad
- ⑤ Daily total function
- ⑤ Change calculating function
- ⑤ Calculating function : Accumulation/Multiplication
- ⑤ Rechargeable Battery (L.C.D Type)
- ⑤ Auto Power off (L.C.D Type)

### OPTIONS

- ⑤ Back-Light (L.C.D Type)
- ⑤ RS- 232 (PC/Printer)
- ⑤ SUS Tray
- ⑤ Rechargeable Battery (V.F.D Type)
- ⑤ Pole Type Display
- ⑤ Color : □ Blue □ Gray

### SPECIFICATIONS

| Model                      | ER(LCD)  | ER(VFD) |
|----------------------------|--|---------|
| Weighing Capacity          | 6kg; 2g, 15kg; 5g, 30kg; 10g                             |         |
| Display Digits             | 5/6/6 (Weight/ Unit price/ Total price)                  |         |
| Display Type               | LCD  | VFD     |
| Display Designators        | Power, Zero, Tare, Lowbattery, B/L                       |         |
| Power Source               | AC 110/220V, 50/60Hz<br>Rechargeable Battery (6V, 3.6Ah) |         |
| R/C Battery Operating Time | LCD 120hr  | VFD 5hr |
| Charging Time              | 12hr   |         |
| Dimensions(mm)             | 360(W) ; 360(D) ; 106(H)                                 |         |
| Temperature                | -10 °C ~ + 40 °C   |         |
| Product Weight             | 4.5 kg   |         |
